

GRACEFEST[®]

GraceFest is scheduled to return to the Palmdale Amphitheater on Friday, Sept. 6th & Saturday, Sept. 7th, 2019!

We are very excited to announce this year's Main Event national line up; MERCYME, TASHA COBBS, AUSTIN FRENCH and Worship Night's headliner JEREMY RIDDLE! More national artists and local worship bands are still in the works and we anticipate that GraceFest will set another record-breaking year, thank you Lord! GraceFest Worship Night takes place Friday from 4pm to 8pm and features incredible worship artists, speakers, and all vendors are open. This event is free, however we do offer new reserved seating for those making that choice. Saturday's main event opens at 1pm and closes at 10pm. The main event features numerous national and local artists generating powerful Christian music performances that need to be experienced to believe. Plus, great youth bands and speakers on The Zone, youth stage. Our mission is to unify the body of Christ through a Christ-centered event and proclaim the Gospel message in order that all in attendance who don't know the Savior come to the saving knowledge of Jesus Christ! Additionally, festival proceeds are donated to ten local Christian schools. We hope you'll consider planting a seed for the Kingdom and partnering with us in this mission as a valued sponsor.
